IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE USE

When using an electrical appliance, basic precautions should always be followed, including the following:

WARNING

THE APPLIANCE AND ATTACHMENTS CONTAIN MAGNETS.

1. Keep away from implanted medical devices such as pacemakers and defibrillators as they may be affected by strong magnetic fields. Can also affect credit cards and electronic storage media.

WARNING

THESE WARNINGS APPLY TO THE APPLIANCE, AND ALSO WHERE APPLICABLE, TO ALL TOOLS, ACCESSORIES, CHARGERS OR MAINS ADAPTORS. TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK, OR INJURY:

2. This Dyson appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or reasoning capabilities, or lack of experience and knowledge, only if they have been given supervision or instruction by a responsible person concerning use of the appliance in a safe way and understand the hazards involved.

Cleaning and user maintenance shall not be made by children without supervision.

3. Do not allow to be used as a toy. Close attention is necessary when used by or near children. Children should be supervised to ensure that they do not play with the appliance.
4. If the appliance is used in a bathroom, unplug after use. The proximity of water presents a hazard even when the appliance is switched off.
5. **WARNING:** Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

6. If the supply cable is damaged, it must be replaced or repaired by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
7. This appliance has a non-self resetting thermal cut-out safety device to prevent overheating. If your appliance cuts out, unplug it from the mains supply socket and leave to cool.
8. **CAUTION:** In order to avoid a hazard due to inadvertent resetting of the thermal cut-out, this appliance must not be supplied through an external switching device, such as a timer, or connected to a circuit that is regularly switched on and off by the utility company, or plugged into any socket where the electrical supply is unstable or likely to be turned off.
9. For additional protection, the installation of a residual current device (RCD) having a rated residual operating current not exceeding 30mA is advisable. Ask your installer for advice.

10. Do not use the appliance for any other purpose than styling hair.
11. Do not handle any part of the plug or appliance with wet hands.
12. Do not unplug by pulling on the cable or stretch or pull the cable when in use. Do not use an extension lead and do not wrap the cable around the appliance.
13. Do not use any lubricants, cleaning agents, polishes or air fresheners on any part of the appliance.
14. Contact the Dyson Helpline when a service or repair is required. Do not disassemble the appliance as incorrect reassembly may result in an electric shock or fire.
15. If the appliance is not working as it should, if it has received a sharp blow, if it has been dropped, damaged, left outdoors, or dropped into water, do not use and contact the Dyson Helpline.
16. The appliance can be used without an attachment. For best results, the appliance should be used with the recommended attachments.

The attachments and product air exit area may become hot during use. Allow them to cool before handling.

Additional information

Looking after your Dyson machine

- Do not carry out any maintenance or repair work other than that shown in the Dyson user manual, or advised by the Dyson Helpline.
- Always disconnect the plug from the mains socket before inspecting for problems. If the machine will not operate, first check the mains socket has an electricity supply and that the plug is properly inserted into the socket.

Disposal information

- Dyson products are made from high grade recyclable materials. Recycle where possible.

This symbol indicates that this machine should not be disposed with your general household waste. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. When this machine has reached the end of its serviceable life, please take it to a recognised WEEE (Waste Electrical and Electronic Equipment) collection facility such as your local civic amenity site for recycling. Your local authority or retailer will be able to advise you of your nearest recycling facility.

Limited 2-year guarantee

Terms and conditions of the Dyson 2-year limited guarantee

What is covered

- The repair or replacement of your Dyson machine (at Dyson's discretion) if it is found to be defective due to faulty materials, workmanship or function within two years of purchase or delivery (if any part is no longer available or out of manufacture, Dyson will replace it with a functional replacement part).

What is not covered

Dyson does not guarantee the repair or replacement of a product where a defect is the result of:

- Damage caused by not carrying out the recommended machine maintenance.
- Accidental damage, faults caused by negligent use or care, misuse, neglect, carelessness or operation or handling of the machine which is not in accordance with the Dyson User manual.
- Use of the machine for anything other than the use it is designed for.
- Use of the machine outside of 'normal use' which is defined as more than two hours per day.
- Use of parts not assembled or installed in accordance with the instructions of Dyson.
- Use of parts and accessories which are not genuine Dyson components.
- Faulty installation (except where installed by Dyson).
- Repairs or alterations carried out by parties other than Dyson or its authorised agents.
- Normal wear and tear (e.g. fuse etc.).

If you are in any doubt as to what is covered by your guarantee, please contact the Dyson Helpline.

Summary of cover

- The guarantee becomes effective from the date of purchase (or the date of delivery if this is later).
- You must provide proof of (both the original and any subsequent) delivery/purchase before any work can be carried out on your Dyson machine. Without this proof, any work carried out will be chargeable. Keep your receipt or delivery note.
- All work will be carried out by Dyson or its authorised agents.
- Any parts which are replaced by Dyson will become the property of Dyson.

- The repair or replacement of your Dyson machine under guarantee will not extend the period of guarantee unless this is required by local law in the country of purchase.
- The guarantee provides benefits which are additional to and do not affect your statutory rights as a consumer and will apply whether you purchased your product directly from Dyson or from a third party.

Important data protection information

You will need to provide us with basic contact information when you register your Dyson machine or via the MyDyson™ app.

When registering your Dyson machine:

Other terms relating to the Dyson guarantee

- The Dyson guarantee becomes effective from the date of purchase.
- All work will be carried out by Dyson Appliances (Aust.) Pty Limited, Dyson New Zealand Limited (NZ) or their authorised agents.
- Any parts replaced by Dyson or its service agents will become the property of Dyson Appliances (Aust.) Pty Limited or Dyson New Zealand Limited (NZ).
- You must provide proof of purchase for your Dyson machine in order to make a claim under the Dyson guarantee.
- Under the Dyson guarantee, the repair, replacement and any associated delivery charges (both to and from Dyson) will be at no cost to you.
- Whether or not the Dyson guarantee applies, you may have rights and remedies available to you under Australian or New Zealand Consumer Law.

Important data protection information

You will need to provide us with basic contact information when you register your Dyson machine or via the MyDyson™ app.

When registering your Dyson machine:

- You will need to provide us with basic contact information to register your machine and enable us to support your Dyson guarantee.

Australian Consumer law

In Australia, your Dyson machine comes with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have your Dyson machine repaired or replaced if it fails to be of acceptable quality and the failure does not amount to a major failure. All rights under the Dyson guarantee are in addition to your rights under the Australian Consumer Law. You can find more information about your rights by visiting the ACCC's website.

New Zealand Consumer Law

Under the New Zealand Consumer Guarantees Act 1993, if the product is not of acceptable quality but that defect is not substantial, Dyson may choose whether to repair or replace the product. If a repair will be difficult, Dyson may instead provide you with a refund. If a product's defect is substantial or cannot be fixed, you can ask for either a refund, replacement product, or compensation for any reduction in that product's value. You are also entitled to compensation for any other reasonably foreseeable loss caused by that substantial defect.
